Dear Dr Gilliat

Thank you for your letter of 11 September 2007, copied to our Chief Executive, Finlay Scott.

I have noted your comments; however, I can only refer you to the letter of 23 August 2007 from Linda Summers, Assistant Director – Investigations, that I believe sets out our position in relation to your complaints quite clearly.

As we have advised you previously, the GMC regards this matter as closed and, in the circumstances, we will not be entering into further correspondence with you.

Yours sincerely

Paul Philip
Director of Standards and Fitness to Practise
