Dear Dr. Glatt,

Thank you very much for your letter regarding the possible clinical assistance-ship in this department. It is possible that we might have such a position available in the department, but of course, all such appointments have to go through the Academic Board in the usual way. If you would be kind enough to send me your Curriculum Vitae, I would be happy to put it before the Board at our next meeting, and we will see what will transpire.

In any case, I think it would be a good idea if you came to see me beforehand, because obviously we need to meet to discuss this. If you would be kind enough to telephone my secretary, I am sure that she will be able to make an appointment in the near future.

Yours sincerely,

Robert Winston
